'LA DOLCE VITA' in ITALY!

4th September - 1st October, 2021

Join us for a sweet sojourn and live 'the good life.'
San Marino- Umbria- Tuscany- Chianti- Liguria- Venice

If you've ever longed to live like an Italian, to stroll the inviting streets of little stone towns, to sip coffee or savour a long lunch at a small seaside cafe, to take in sweeping views from tiny hill-top villages, to meet the locals as they go about their day and enjoy their wonderful regional food and wine and to do it all slowly, sweetly... this is your tour! When offered for the first time, in 2019, this tour sold out immediately. Hence, we quickly planned a repeat!

Included Emirates flights and Dubai stopovers, ensure you arrive in good shape. Once in Italy we drive in our coach from Bologna, where we land, to the republic of San Marino. Perugia, Pienza, Radda in Chianti, Sestri Levante, Reggio Emilia and Vicenza follow, then finally, the breath-taking jewel of Venice, from where we reluctantly fly home!

During our tour we take time to savour the delights of each of these small places and many others around and between them as we pass through various distinct regions. We bask in their differences.... the contrasting landscapes, the customs, the architecture, the food and wine...which all come together to define each precious place. This is not a 'big attractions' tour, but one with emphasis on little places and sweet pastimes. In our chosen locations, enjoy convivial activities, visits, music and dinners with wine, plus free time for you to follow your heart and to do as you please! **See our Package Details over the page.**

TOUR OVERVIEW

Having flown in from Dubai to Bologna, we make our way to the tiny republic of San Marino, teetering high up on Mt Titano and affording breathtaking views. After a couple of days to settle in, our next stop is Perugia in Umbria where we explore the town and surrounds, before moving on to Pienza in Southern Tuscany for Abbeys, wineries, bubbling thermal water and lovely small towns. Chianti, the region known for its famous wine, is our next stop to continue our enjoyment of charming towns, countryside, food and wine! Our next stop is the Ligurian coast and the small town of Sestri Levante with our hotel, high up, overlooking the two bays. Here we enjoy famous Portofino and other coastal towns. After several days living the good life in this playground of the rich and famous, we head inland to a tiny town with a big piece of history, Reggio Emilia. Here the 'Tricolore', the Italian flag, was born! We indulge in the region's many famous foods and enjoy pleasant times together, including a visit to Pavarotti's home. Moving on, we visit the largely intact medieval town of Montagnana, before reaching Palladio's Vicenza, where we visit his famous theatre. Our final stop is 'La Serenissima' Venice, where this timeless marvel offers endless joys including Vivaldi concerts and opera at La Fenice. Throughout, we'll simply enjoy where we are and the various pleasures offered us in each of our bases and the area around them. Music will be inserted once schedules are known.
