" beautiful music, stunning scenery and amazing hotels ",

Christine & Bob, Sydney

Stewart and Jennifer joined their 'Music Lovers' for an unforgettable 3 weeks travelling from Paris to the South of France and Barcelona. Our marvellous tour boasted many highlights...Dubai stopovers each way, performances at both the Garnier and Bastille opera houses in Paris where we saw opera and ballet, a 'night of stars' Verdi Celebration opera concert at the stunning Liceu opera house in Barcelona, La Nouvelle Eve cabaret, a night of flamenco and other performances.

To this we added magnificent chateaux in the Loire Valley, the Chartres 'Festival of Lights', Monet's house and Lily pond, 5 glorious days and nights exploring Paris, and many wonderful experiences as we sight-saw throughout cosmopolitan Nice, glittering Monaco, The Camargue with its pink flamingos and black bulls, charming Provence and the Rhone Valley with wine tasting, long lunches, charming village markets, ancient ruins, art, culture and throughout all of this, great company! We stayed in our hand-picked 4-star hotels, each with character and charm and each centrally located for easy exploration.
