Join your hosts & tour creators, Jennifer and Stewart, founders of OPERATIF! & Music Lovers Tours on a Premium tour of bonnie Scotland. We fly into Edinburgh and out of Glasgow. We will visit gracious towns brimming with history and culture, small villages from inland to the coast and on the isles. Each has its own particular charm and invites exploration of little shops, pubs and the like. We'll soak up the culture of Scotland too, with performances both main-stream and traditional. (including the option to attend the famous Edinburgh Tattoo.)

Throughout this magical tour, there will be many opportunities for walkers (of all abilities) to stride out into the countryside and embrace the spectacular scenery and outdoors life for which Scotland is famous.....rocky crags, sweeping valleys, vast lochs, rugged seaside and tranquil woodlands offer a plethora of natural wonders. (or enjoy the scenery from the comfort of our coach!)

Our hand-picked hotels will offer wonderful bases, whether town or countryside. The famed local produce, including grouse, salmon and fresh lobster is another treat to look forward. Imagine savouring a long lunch in the countryside, with breathtaking views to enhance the appetite! Of course for the whisky lovers, there will be ample opportunities to sample the varieties and enjoy a wee dram or two!

TOUR OVERVIEW

Our tour begins in Scotland's cosmopolitan capital, Edinburgh, with its famous castle overlooking the city. We've much to see and enjoy here including some important visits beyond the city. After Edinburgh our exploration begins in earnest...taking in Scotland's famous high-points, as well as others less visited. We'll tour the home & museum of the great poet, Robbie Burns and enjoy the several Scottish evenings of music and dance. We'll explore picturesque North Perthshire, basing ourselves in a castle near charming Pitlochry. Inverness, the 'capital of the Highlands,' beckons with a visit to Queen Victoria's beloved Balmoral Castle enroute. We'll tour the famous Battlefields of Culloden and the excellent visitor's centre. We'll also visit Fort George, home of the Queen's Own Highlanders. Time spent on the Isle of Skye will be fascinating...rugged and with many natural wonders. Fort William, centre of the Cameron Clan will see us visit Achnacarry House, home of the clan chief. We will ride on the wonderful Jacobite Steam train, (made famous in the Harry Potter movie as Harry's transport to Hogwarts !) On board we fly over the spectacular Glenfinnan Viaduct. We'll visit the Isles of Mull and of Iona, (the latter, the birthplace of Celtic Christianity.) No tour of Scotland would be complete without Loch Lomond and we'll stay right on its banks and take a morning cruise. Our final stop is the vibrant and welcoming city of Glasgow which offers much to explore and from which we strike out to see even more! We fly home from Glasgow at tour's end.
