TRAVEL INSURANCE

It is compulsory for all travellers on an OPERATIF! Music Lovers Tour to have a current comprehensive travel insurance policy, including appropriate cover for Cancellation. OPERATIF! packages are non-refundable.

Insurance cover should be in place as soon as you book a tour and ideally before paying the Deposit. The choice of insurer is entirely yours, including opting for Premium Credit Card Insurance if you are happy with the cover provided.

Unless you have a usual insurer you are happy with, we recommend contacting several for quotes and to compare their levels of cover. Be very careful to declare any pre-existing medical conditions. Even a small 'flare up' of something you thought wasn't worth mentioning can result in negation of a claim.

If you are confident to obtain quotes online, this is a good way to start, otherwise phone a few companies. There is some general information on our website at www.operatif.com.au/insurance.html Whilst we can't recommend insurers, Covermore is one specialist Travel Insurer that many will have used. There is a link to Covermore on our website (in the left hand bar on the travel pages.) Perhaps start here but others to try include your auto club (eg NRMA, RACQ,) Medibank, Australian Seniors, Southern Cross, Budget Direct and 1-Cover. There are many to choose from. If you need assistance, do give us a call.

TRAVELLER FITNESS

A minimum level of fitness and mobility is required to participate in these tours in order not to diminish the enjoyment of others. The ability to walk at a moderate pace for 15 minutes, to use stairs and to walk up moderate hills is essential. Walking tours form part of the itinerary and given our centrally located hotels, we usually walk to restaurants, theatres etc We never rush but you need to be able to sustain a steady pace and keep up when walking with the group. Please call to discuss any concerns you may have.
