TRAVEL INSURANCE

It is compulsory for all travellers on an OPERATIF! Music Lovers Tour to have a current comprehensive travel insurance policy, including appropriate cover for Cancellation. Music Lovers Tours packages are non-refundable.

Insurance cover should be in place as soon as possible after booking a tour, with details provided to us. The choice of insurer is entirely yours, including opting for Premium Credit Card Insurance if you are happy with the cover provided.

If you don't currently have a favourite insurer, we recommend contacting several for quotes and to compare their levels of cover. Be very careful to declare any pre-existing medical conditions. Even a small 'flare up' of something you thought wasn't worth mentioning can result in negation of a claim, especially if it causes you to cancel the trip.

If you are confident to obtain quotes online, perhaps start this way, otherwise phone for some quotes. There is some general information on our website too. Whilst we can't make recommendations, Covermore is one specialist Travel Insurer that many will know and have used. Others to try include your auto club (eg NRMA, RACQ,) Medibank, Australian Seniors, Southern Cross and Budget Direct. If you need assistance, give us a call. Take out Travel Insurance as soon as you book so that monies paid to us are covered.

TRAVELLER FITNESS

A moderate level of fitness and mobility is required to participate in these tours. The ability to walk for 15 minutes, at a steady pace, (including some stairs and moderate hills) is essential. Given our centrally located hotels, we usually walk to restaurants and activities which are nearby. We never rush but you do need to be able to keep up with the group. Do call to discuss any concerns you may have. We will accommodate the special needs of individuals where possible.

TERMS AND CONDITIONS

These are available on our website in the Green Footer at the bottom of each page. (or call or email for a copy)
